FDBSX

**Assembly Instructions**

Introduction

Thank you for choosing a high-quality product "MADE IN GERMANY" from the brand TW AUDiO.

The front cover FDBSX is an accessory for the BSX loudspeaker.

It is characterized by a subtle look, a remarkable size to weight ratio and ease of use.

If you lend your product to another party, inform that party of the safety-related operating procedures and hand over this assembly guide. If you require additional copies of this manual, you can obtain them free of charge from TW AUDiO or download them from www.twaudio.de

Instructions in this setup manual

Strictly adhere to the instructions contained in this operating manual that are marked as follows:

WARNING

This symbol in combination with the signal word "Warning" identifies a potentially hazardous situation. Failure to comply with this safety instruction can lead to serious injury or even death.

CAUTION

This symbol in combination with the signal word "Caution" identifies a potentially hazardous situation. Failure to comply with this safety instruction can lead to light or moderate injury.

NOTE

This symbol in combination with the signal word "Note" identifies a potentially hazardous situation. Failure to comply with this safety instruction can lead to product damage.

TIP

This symbol in combination with the signal word "Tip" identifies additional information or notes that will simplify working with TW AUDiO products on the basis of practical experience.

Notes on the products

Read manual before use!

Before using the front cover, carefully read the assembly instructions and keep the instructions in a safe place together with the FDBSX front cover.

Content

1. Safety | Intended use

Please adhere to the following safety instructions to avoid risks when using accessories.

The FDBSX front cover was developed for use in professional sound systems. The front cover may only be used by trained and qualified personnel.

Note the operating modes described in this operating manual. Other uses are not permissible.

Damage caused by improper use is not covered by TWAMBO.

WARNING
Before each installation, check the integrity of the FDBSX front cover and ensure that all components are in perfect condition.

WARNING
The front cover FDBSX may only be used with the loudspeaker BSX.

These assembly instructions describe how to use the FDBSX front cover. Any other use shall be deemed improper and may result in damage or even injury.

Modifications or alterations to individual parts of the FDBSX front cover are not permitted!

CAUTION
The FDBSX is an accessory designed both for indoor and outdoor use.

WARNING
The FDBSX front cover may only be used by trained and qualified personnel. Personnel must check the FDBSX for its full suitability before each use.

WARNING
When visible damage to any part of the FDBSX front cover is detected, it must be decommissioned immediately.
2. Overview

2.1 Components

Figure 2.1 - Overview

1. front cover - Polyurea-coating
2. Butterfly-Latch, size: medium

3. Technical specifications

3.1 Data sheet

Dimensions (d x w x h)	1400 x 600 x 30 mm [55,12 x 23,62 x 1,18 in]
Weight	12 kg [26,46 lbs]
Surface	Polyurea-coating

4. Commissioning

4.1   Setup

NOTE

1. Carefully position the FDBSX front cover on the front of the loudspeaker.

2. Attach the front cover FDBSX to the BSX loudspeaker using the butterfly latches.

3. Make sure that the hooks on the butterfly latches are hooked into the BSX speaker's dolly panels.

5. Transport and Storage

NOTE

Ensure that the front cover is not damaged during transport and storage. Moisture can penetrate exposed wood surfaces and cause the wood to swell.

This is why the product should be transported and stored in a safe, careful, dry and largely dust-free manner.

The original packaging is unsuitable as permanent storage and transport packaging.

6. CE Conformity Declaration

Copy and translation of the original CE Conformity Declaration:

We hereby declare that the below-referenced components by virtue of their design and construction, and in the configuration placed on the market by us, satisfy the safety and health requirements of the applicable EC directives. This declaration becomes invalid in case of modifications that have not been approved by us.

This declaration applies to the following components

• FDBSX

as well as all model variants based on these, provided that they correspond to the original factory models and have not been technically modified in any way.

Applicable directives:

• 2001/95/EG

Applicable national standards and technical specifications:

• DIN EN ISO 12 100
• DGUV Vorschrift 17 und 18

Berlin, Germany, January 1st, 2021

Bernhard Wüstner
